NON-NEGOTIABLE BUSINESS RULES

- Collect 50% advance on small projects.
- Tie larger payments to acceptance milestones.
- Define scope, exclusions and revision limits.
- Do not launch or transfer source before final payment.
- Keep 6 months of essential operating expenses.
- Prevent any client from exceeding 25% of revenue.
- Separate tax reserves from operating cash.
- Measure gross margin on every project.

*Planning example before tax and founder withdrawals; validate with actual capacity and costs.

Prove demand before investing heavily
